

K-LOV radio is an inspirational, contemporary Christian station that serves the greater Indianapolis area. We have two other contemporary Christian stations in the area, however, neither of their signals are strong enough to reach our area. K-LOV is a wonderful station that my teenage sons love to listen to that keeps them away from the unfit lyrics of today's secular music. It would be devastating to my family not to have K-LOVE on the air. Please do not allow the LPFM stations to take over the airwaves in Indiana.

Thank you for your time.
